Innovation in Global Education

# LPI STUDY ABROAD

## 2023-2024

**Choose from 3 program options and a wide variety of schools including 3 of the top 50 U.S. News Top Ranked High Schools**

# LPI STUDY ABROAD OVERVIEW

LPI Learning offers the World's Most Innovative Global Education Programs, which provide our participants with a competitive advantage to succeed in the 21st Century.

LPI Study Abroad programs provide international students with the opportunity to study in the USA. Our programs offer an affordable and rewarding experience for students, superior academic quality, and local support.

Our comprehensive programs make it easy to study abroad in the USA. We offer three study abroad program options that feature a wide variety of American schools, superior academic quality and supportive host family homestays

## PROGRAM BENEFITS

- Obtain a competitive advantage in the university admissions process
- Gain valuable global experience
- Develop 21st Century Learning skills
- Improve your English language skills through cultural immersion
- Achieve higher levels of social maturity and independence

## WHY CHOOSE LPI STUDY ABROAD

- We take care of everything and make studying abroad in the USA easy!
- 3 program options - Homestay Program, Admissions Advising and Study in the USA
- Easy application process
- We are an experienced organization with a professional staff, large network of schools and thousands of host families across America
- We operate in accordance with The Council on Standards for International Educational Travel (CSIET) standards

# LPI PROGRAM OPTIONS

**We take care of everything and make studying abroad in the USA easy!**

LPI Study Abroad offers three options to provide international students with a program that best meets their needs:

## HOMESTAY PROGRAM

Our Homestay Program provides students who are already enrolled in an American school with comprehensive host family housing accommodations. The Homestay Program includes placement with a carefully screened host family and support services. We take care of everything and make the Homestay process easy!

## ADMISSIONS ADVISING

Our team of Admissions Advisors will help you select and apply to institutions that best fit your academic and personal goals. The team will review your application and supporting documents to help you to apply and enroll in the best fit American school, based upon your experience and requirements. Gain admission to an American school with the assistance of experienced professionals!

## STUDY IN THE USA

Study in the USA is an all-inclusive program that provides applicants with both Admissions Advising and our Homestay Program. We take care of everything and make the school admissions process and housing accommodation process easy!

# HOMESTAY PROGRAMS

## LPI Learning will find you a Host Family for Homestay Accommodation!

Finding a host family for day school homestay accommodation can be difficult. LPI Learning is an experienced full-service homestay organization that can assist students with host family placement across the USA.

LPI Learning places students with carefully screened host families across America. Students are placed with host families which live close to their US school. The host family screening process includes a comprehensive online application, telephone reference checks, a background check and an in-home interview with an LPI Learning Local Representative. Monthly reports are completed by our Local Representatives to ensure students are doing well in school, socially and maintain a good relationship with their host family.

Our organization follows the best practices in homestay standards established by The Council on Standards in International Education and Travel (CSIET), as an accredited member. Our Local Representatives are focused upon our students' educational success, cultural exchange experience and safety.

LPI Learning also understands that the benefits of study abroad go beyond the classroom. We encourage our students and their host families to enjoy America together, while the develop life-long relationships and unforgettable memories.

# HOMESTAY PROGRAMS

## **BENEFITS OF HOMESTAY PROGRAM WITH LPI STUDY ABROAD:**

- We take care of everything and make the Homestay process easy!

# ADMISSION ADVISING

## Professional Admission Advising Services for International Students who want to Study Abroad in the USA

The USA is the world's leading study abroad destination and more than 1,000,000 International Students are now enrolled in American schools and universities. Application processes and enrollment requirements vary by institution, which can present significant challenges for international students.

LPI Learning Admissions Advisors are experienced professionals that work hand-in-hand with international students to help them through the admissions process. Our Advisors will help to relieve the stress of the admissions process and provide students with the best fit schools for enrollment, based upon their individual preferences and academic strengths.

LPI Learning works with students from across the globe and as a leader in Global Education, we are committed to our students' long-term academic success. Admissions Advising is available to Middle and High School students entering grades 7 to 12. Advising services are also available to students entering university or a graduate program.

# ADMISSION ADVISING

## **BENEFITS OF ADMISSION ADVISING WITH LPI STUDY ABROAD:**

- Gain admission to an American school with the assistance of experienced professionals
- Minimize the stress of finding the right school
- Identify institutions which match your academic and personal goals
- Obtain assistance with application preparation, submission and school admission

## **WHAT'S INCLUDED IN THE PROGRAM FEES:**

- Professional advising to help students to Study Abroad in the USA
- Individualized Admissions Advising Services
- Review of academic record, student essays, portfolios, etc.
- School selection assistance to identify Best Fit schools
- Comprehensive school application and admissions support
- Experienced advice on how to have successful admissions interviews and school visits

## **HOW TO APPLY:**

- Complete the LPI Learning Student Application
- Provide transcript and standardized test results
- A standardized test score of English proficiency
- Provide essays, personal recommendations, academic recommendations, and other information in accordance with LPI Learning deadlines
- Complete Target School applications and send test scores to institutions with other required documents
- Monitor status of applications and notify institutions of enrollment intentions

\* All schools require an English Language Proficiency Test. We highly recommend testing prior to admissions to the program through an ELTiS, TOEFL Jr or TOEFL test. In addition to the LPI Learning application, most Private High Schools require their own application to be submitted along with scores from the SSAT and ELTiS, TOEFL or TOEFL Jr.

# STUDY IN THE USA

## All-inclusive Admissions Advising and Homestay Services for International Students that want to Study in the USA!

The Study in the USA program is an all-inclusive service that includes placement in an American school and homestay housing accommodation with a host family.

### ADMISSION ADVISING

Study in the USA includes the support of our Admissions Advising team to be placed in an American school. Our team of experienced Admissions Advisors helps students to identify the Best Fit American school, based upon their selection criteria, budget and academic strengths.

Our experienced advisors can assist with placement across the USA. Students can choose from more than 200 schools in the LPI Study Abroad network or receive professional admissions support for the schools of their choice. (See page 5)

### HOMESTAY PROGRAM

Our Homestay Program places international students with welcoming and carefully screened host families across America. Host families live close to the school students attend and provide housing, meals and transportation in the community where their school is located. We take care of everything and make the Homestay process easy! (See page 3)

### STUDENT QUALIFICATION

- Applying for grades 7 through 12
- Be between 13 - 18 years of age
- Have a grade point average of C or higher (based on US marking system). Please note that most schools will require test scores, grades, and an English proficiency test for admissions
- Speak intermediate to advanced English
- Willing to become a member of an American Family and school

# CHOOSE FROM A VARIETY OF SCHOOLS

## We will Help You Find a School that Meets your Academic Needs!

There are more than 120,000 schools in the USA and choosing the right school to study abroad in can be challenging. Study Abroad is possible with private, public and boarding schools, but school selection and admission is not easy.

Our program places international students in the USA on an F-1 Visa. International students may enroll in a Public school for one year or a Private school for multiple years. It is possible for F-1 Visa students to graduate from an American high school and to apply to and attend a university in the USA. LPI Study Abroad Admissions Advisors help international students to select, apply and gain admission to an American school. We offer two school selection options, based upon student requirements

### 1. CHOOSE YOUR OWN SCHOOL

LPI Study Abroad provides admission support to find their Best Fit school. Our Admissions Advising team is ready to assist our students every step of the way until they gain admission to an American school!

### 2. CHOOSE YOUR SCHOOL FROM OUR NETWORK

There are more than 12,000 SEVIS Certified Private and Public high schools nationwide in the USA. You may find a school by [searching a specific location \(City, State\) here](#). We have students who attend 6 of the Top 10 Ranked Public High Schools according to US News and World Report.

# EASY APPLICATION PROCESS!

We make the admissions process easy and students can apply in 3 simple steps:

## ➡ STEP 1

Complete the LPI Study Abroad Application for the selected program: Homestay Program, Admissions Advising or Study in the USA

## ➡ STEP 2

Admissions Advisors will review the application for acceptance to the program

## ➡ STEP 3

Upon acceptance, Admissions Advisors assist student with school admission and/or homestay host family placement

# LPI LEARNING PROGRAMS

## LPI Learning

LPI Learning offers innovative global education programs providing participants with a competitive advantage required to succeed in the 21st Century. They include LPI Learning's Study in the USA and RenzulliCreativity Programs, RenzulliLearning, Agent Au Pair, AuPair.com USA and GeoVisions Global Community Service Programs.
